In the box it contains a mask, Narcan with the instructions on how to use it if anyone came in the office that had overdosed. Mr. Halsey stated he would like to see these boxes all over town in every building. Councilwoman Pugh stated it sure can't hurt to have this in the office. Councilwoman Cantu stated she is not trained to work the Narcan if someone would need the help. Mr. Halsey stated he could train the council this evening on how to use it and that is a goal of his. Councilwoman McClurg stated she is afraid that showing the box in plain view may become an encouragement to people. Councilman Willis asked Mr. Halsey if someone was to get ahold of the Narcan that didn't need it would it hurt them, and he replied to it would not. Mr. Halsey suggested to council to research this at the Kentucky Department of Public Health website to better understand the use of it. Councilman Willis made a motion to table the approval for the low bid on the Salt Lick Tank Project as he is just seeing the information on it. The project was bid for \$66,000.00 which was the lowest bid. The work on the project will not get started until spring. The total grant award was \$200,000.00. Police Department Vehicles Leasing Program – Mayor Blankenship stated we currently have 4 police vehicles we are looking to replace. There is a company out of Nashville TN. that has about 8 of them fully equipped and ready to go. We have been looking into making a lease with them. It is a 6-year lease with each vehicle purchased being around \$62,000.00. This would be for 4 SUVs fully equipped. The cost of the payment would run the city around \$12,000.00 per quarter and the alcohol tax money would pay for half or more of that payment. There is no mileage usage on the lease. The warranty does start on the vehicle when the city purchases the SUV's. This is a lease to where if the city could not afford the vehicles they can be given back with no repercussion. A copy of the lease was given to each council member. Councilman Willis made a **motion to allow the Mayor to enter into the 6 year contract lease of 4 Police Vehicles.** Councilwoman Cantu seconded the motion.

**Updates:**

Mayor Blankenship mentioned that we had a good past weekend of the Christmas Tree Lightening Ceremony and the Christmas Parade. We had Santa Claus at the Visitor Center after the parade visiting with the kids. City worker Laddie Biles made caroler cutouts with Brenda Bear painting them. With the rain that was coming down, all in all it was a wonderful parade. Councilman Willis suggested notifying the participants that did floats in this year's parade to notify them about next years.

Councilwoman Cantu made a motion to **adjourn**. Councilwoman McClurg seconded the motion. All agreed.
